P COIMBRA 05	INSTITUTO SUPERIOR MIGUEL TORGA	B1 Portuguese B2 English B2 Spanish	According to our Inter-Institutional Agreement the recommended language skills are B1 (Portuguese) and B2 (English or Spanish). However, although the language of instruction is Portuguese, it might happen that some teachers can provide some information at classes or even some personal communication in English or Spanish. In the most of the curricular units, students can do their evaluations in English and/or Spanish.

			<p>Also, most of the teachers do follow up Erasmus students in those languages, either in classes, individual meetings or by e-mail. However, it should be noticed that there is always the risk that in some curricular units it is not possible to be supported and do the evaluations in other language than the Portuguese. So it's not mandatory that students know Portuguese language, but it's recommended.</p> <p>To facilitate communication and knowledge of our language, we provide, as an extra curricular unit (fee of €85), an intensive Portuguese course, each semester, of around 70 hours for different levels (assessment of the level is done in the first class).</p>
